

TUDOR JITARIU

Architect (ARB) in London, United Kingdom, Right-to-Work Status: Indefinite Leave to Remain (Settled)

Aviation, Transport, Mixed-Use, Offices, Cultural

PROFESSIONAL SUMMARY [LinkedIn](#)

ARB-registered Architect with 5+ years' experience delivering aviation, transport, workplace and cultural projects across Europe, the Middle East and North Africa. Experienced in Revit-based BIM workflows, planning, presentation and tender documentation production, technical package delivery, multidisciplinary coordination and design development from concept design through to tender.

Tudor is now seeking an opportunity to further develop his technical, coordination and project-delivery skills at RIBA Stages 3 - 6 within a collaborative multi-disciplinary practice. He is eager to contribute to a collaborative approach to the holistic project workflow from concept design and feasibility through to construction and handover.

Architect (ARB) in London, United Kingdom, Right-to-Work Status: Indefinite Leave to Remain (Settled)

Aviation, Transport, Mixed-Use, Offices, Cultural

EDUCATION

September 2024 - September 2025

Architecture Postgraduate Diploma Professional Practice Merit (RIBA/ARB Part 3)

The University of Westminster, London, UK

- Developed understanding of UK construction law, procurement routes, project management and contract administration.
- Applied professional judgement through case study and exams evaluating the legal, procurement and delivery contexts.
- Gained experience in practice management, QA/QS processes, and project delivery frameworks as well as ISO standards.

September 2020 - June 2022

Architecture MArch Distinction (RIBA/ARB Part 2)

The Bartlett School of Architecture, UCL

- Developed advanced design and research skills through complex architectural projects and written coursework.
- Explored spatial, environmental, and theoretical approaches to my architecture to communicate my design intent clearly.
- Produced comprehensive design proposals while integrating technical and conceptual strategies of the creative and ethical themes I am interested in as a designer and practitioner.

September 2016 - June 2019

Architecture BArch First Class (Hons) (RIBA /ARB Part 1)

The University of Nottingham

- Established foundation in architectural design, structural principles, environmental principles and urban context.
- Explored creative decision-making through written, drawn and verbal communication.

September 2012 - July 2016

Romanian Baccalaureate - The National College of Fine Art, Bacau, Romania

- Valedictorian Award
- Exam Subjects: Romanian Language, English Language, History, Geography, Fine Art, Computer Science.

PROFFICIENCIES AND CORE SKILLS

Software

The Creative Cloud Suite (Adobe)	8 Years
The Microsoft Office Suite	8 Years
Microstation Connect (Bentley)	4 Years
Rhinoceros (McNeel)	4 Years
Autodesk Revit	4 Years
Autodesk AutoCAD	1 Year
Enscape	3 Years
Blender (Blender Foundation)	3 Yeras
TwinMotion (Epic)	1 Year

Professional

Architectural Design Development	5 Years
Technical Package Development	5 Years
Design Presentation & Communication	4 Years
Project Delivery and Organisation	3 Years
Sustainable Design and R&D	1 Year
Consultant Collaboration	2 Years

LANGUAGES

- **English Language** Professionally Proficient
- **French Language** Basic Understanding
- **Romanian Language** Native
- **Computer Literacy** Professionally Proficient
- **Public Speaking& Communication** Confident Public Speaker

VOLUNTEERING AND INTERESTS

- **Marathon, Half-Marathon Runner - Athletics**
- **Film Photography, Film Scan and Archives**
- **Emerging Sustainable Building Material Practices**
- **Carbon Literacy and Carbon Accountancy for Project Development**
